## MAYOR'S MESSAGE

### MAYOR MARESA MANZIONE

Happy 2026! I am looking forward to serving as your Mayor - I love Tooele and hope to build on recent successes in the community. The grand opening of Smith's Marketplace was very exciting; it was the largest Kroger grand opening in the nation. Thank you to all the community members who are supporting our new businesses! There are more to come.

I would like to personally thank Mayor Winn and the City Council for their service in Tooele City. Being an elected official is not an easy task, and we are blessed to have people who are dedicated to making Tooele great. We welcome Jon Gossett as a new member of the City Council. He will be serving with Melodi Gochis, Justin Brady, Ed Hansen, and Dave McCall. I look forward to working with all of them to move our City forward in being a great place to live and do business.

Tooele City strives to be transparent! Our City Council meetings are held on the 1st and 3rd Wednesdays of each month. The work meeting generally starts at 5:30 p.m. and the business meeting at 7:00 p.m. These are public meetings, meaning the public is invited to come and listen and learn. There is also a public comment period at the beginning of each business meeting. If you don't want to leave your house, you can also watch the meetings on the Tooele City YouTube Channel. We will begin the budget discussions in early February, and I would encourage our residents to get involved early to hear those discussions. You can find agendas on the City's website.

Our Planning Commission meets on the 2nd and 4th Wednesdays of each month, and their meetings are also streamed on YouTube. The Planning Commission makes recommendations to the City Council on zoning and makes decisions on land use issues. I have been honored to be the City Council liaison to the Planning Commission for the last several years. These are volunteer residents who are serving our community in a big way. They are also dedicated to making Tooele a great place.

There are several volunteer boards in Tooele - from the Library Board to the Tree Board. Thanks to all the volunteers who make awesome things happen in our City. If you have time to volunteer, you can watch the Tooele City website to look for opportunities. If you don't have time, that's okay, we have other ways to get involved in the community. Our Community Engagement Department has several activities a month - most are free and all are family-friendly events. The Arts Council has many free or low-cost activities at the Ritz Theater. The Downtown Alliance also has a monthly activity. The Sons and Daughters of the Utah Pioneers Museums are free and very interesting. We have a community center on 7th street that is available to rent and has some fun games and roller skating. These are just a few of the amazing ways we have to get involved in the community.

Take advantage of what Tooele City has to offer!

*~Mayor Maresa Manzione*

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are also streamed live on YouTube (Search "Tooele City Channel"). Meeting agendas, minutes, and video links for the meetings are available on our website [tooelecity.gov](http://tooelecity.gov).

### THE COUNCIL'S CORNER

BY COUNCILMEMBER JUSTIN BRADY

As we turn the page to a new year, I want to share my appreciation for our community and outline some of the important work ahead. In the coming weeks, the City Council will begin its annual budget discussions. This is always a significant process that ensures we are planning responsibly for both today's needs and the future growth of Tooele City.

The commercial development we have seen over the past year has been remarkable, and we anticipate that momentum will continue. New businesses create new opportunities, and they help strengthen the local economy we all depend on. At the same time, we understand that growth brings new challenges. Please know that the City Council and our City Staff are actively engaged in identifying issues early and addressing them thoughtfully so Tooele remains a community we can all be proud to call home.

I want to remind residents that your involvement matters. We encourage everyone to attend or listen to City Council meetings, generally held on the first and third Wednesday of each month. Each meeting night generally includes both a work meeting and a business meeting. During the business meeting, members of the public have the opportunity to address the City Council directly during the public comment period. We value hearing from you, and we do our best to listen, understand concerns, and represent the interests of our community.

Thank you for your continued support and engagement. Together, we will make this a great year for Tooele City.

## Snow Event Parking Restrictions and Winter Weather Reminders

### Snow Event Parking Restrictions

Tooele City Code 10-3-6(1) states:  
**"10-3-6. Snow Event Parking Restrictions"**

- (1) It shall be unlawful to park a vehicle on any public right-of-way:
  - (a) when snow is falling upon that vehicle; or,
  - (b) when snow or ice have accumulated in any amount on the right-of-way upon which that vehicle is parked.
- (2) Any vehicle parked in violation of this Section may be removed at the discretion of the Tooele City Police Department for creating public safety risks and for obstructing the City's snow removal efforts.
- (3) The following are exempt from this section:
  - (a) Emergency vehicles and personnel in the performance of their functions and duties; and,
  - (b) Tooele City public works vehicles and employees in the performance of their functions and duties.

***Do not park your vehicles on the street when snow is falling or when snow or ice have accumulated.***

City Ordinances can be found on our website at [tooelecity.gov](http://tooelecity.gov) > Government > City Code

Snow parking restrictions will be enforced. You may be ticketed if you are in violation of this ordinance.

The civil penalty for parking violations during a snow event is \$50 if paid within 15 days, and \$100 thereafter.

Thank you for your help and cooperation!

As the winter months approach, we want to remind you that residential and business sidewalks must be cleared of snow, hail, ice, and sleet within 24 hours after a storm stops. This is especially important in areas that are school walking routes! Tooele City Code 4-11-15(1) states: *"It is unlawful for any person owning or exercising control over any real property abutting any public sidewalk to fail to remove or cause to be removed from such sidewalk all hail, snow, or sleet falling thereon, or ice forming thereon, within 24 hours after such hail, snow, or sleet has ceased falling or ice has ceased forming."*

When the snow falls, don't let our students fall! Please keep all sidewalks that border your property clear, including the sidewalk in your backyard along the street (double frontage - see below)! We need your help especially along school walking routes!

Do not place or propel snow, hail, ice, and sleet in a roadway or other portions of sidewalks. Tooele City Code 4-11-15(2) states: *"It is unlawful for any person to place or propel, or cause to be placed or propelled snow, ice, hail, or sleet in the public way or in any manner which poses a hazard to vehicular or pedestrian traffic."*

Please be courteous to your neighbors, do not blow leaves, snow, or other debris into their yards.

Have questions or concerns? Please contact our Ordinance Compliance Division at 435-843-2132.

The responsibility to keep sidewalks clear also applies to sidewalks on corner lots as well as double frontage lots. If you have a corner lot, you are responsible to keep the sidewalk on the side of your property clean, in addition to the sidewalk in front of your property.

Please help keep Tooele City safe and clean by making sure that your sidewalks are clear for pedestrian traffic. Thank you!

## TOOELE CITY PUBLIC WORKS UPDATES

Work continues through the winter months for our Tooele City crews as they maintain and improve City infrastructure. If you have questions about any of these projects, please contact the Public Works Department at 435-843-2130 or visit us at Tooele City Hall (90 North Main Street).

### 700 SOUTH WATERLINE IMPROVEMENT

A new 16-inch PVC waterline has been installed along 700 South, from Coleman Avenue to State Route 36, improving water service reliability and supporting future growth.

### 200 WEST IMPROVEMENTS

Storm drain, curb, and gutter improvements were completed earlier this year on 200 West between 500 North and 600 North. Work is being done now to install a new sidewalk along the same block, which is expected to be completed soon.

### SETTLEMENT CANYON SPEED LIMIT RADAR SENSOR

A first of its kind in Tooele City, this new speed limit radar sensor alerts westbound drivers of their speed on Settlement Canyon Road, helping encourage safer driving.

## Construction 2025-2026 SR-36 & I-80

To help reduce congestion on SR-36, traffic patterns have been modified. Construction trucks now access the work zone via a temporary U-turn on I-80 rather than SR-36. This change requires occasional single left-turn closures on I-80. Westbound lanes reopen daily by 5 p.m., while eastbound traffic remains reduced to one lane and shifted through active work zones.

Find more information about this project on UDOT's website <https://udotinput.utah.gov/sr36andi80improved>.

# \$250 REWARD

## WE NEED YOUR HELP!

You can help keep our parks and playgrounds looking good by identifying and reporting problems.

Helping out is easy:

1. Visit [tooelecity.gov/maintenance](http://tooelecity.gov/maintenance) or scan the QR Code on the left;
2. Fill out the form and describe the problem or your suggestion; and,
3. Click submit.

We encourage residents, if you SEE SOMETHING, SAY SOMETHING! Each year we spend thousands of taxpayer dollars each year to repair vandalism and clean up graffiti. Please help us try to stop this. Tooele City offers a \$250 REWARD for information that leads to the arrest of the person(s) responsible for graffiti or vandalism. Contact the Tooele City Police Department through Dispatch at 435-882-5600 with information about graffiti or vandalism, or go online to [tooelecity.gov](http://tooelecity.gov) and choose "File a Police Report" from the Quick Links Menu on the Police Department's webpage.

## Holiday Trash Pick Up Schedule

Please watch our website and social media sites for the garbage collection schedule throughout the year. In January, garbage will not be picked on Thursday, January 1, 2026 (New Years Day) or on Monday, January 19, 2026 (Martin Luther King, Jr. Day). Garbage pick up will be delayed those weeks by one day beginning with the holidays.

Residents are encouraged to dispose of their Christmas trees by placing them at the curbside on their bulky waste pick up day. In addition to Christmas trees, other acceptable items include: old appliances, furniture, carpet, couches, and mattresses. All items must be bagged, boxed, or bundled. All boxes, bags, or bundles must weigh less than 75 lbs. Visit [tooelecity.gov/bulkywaste](http://tooelecity.gov/bulkywaste) for bulky waste guidelines. If you have any questions about what is or is not an acceptable bulky waste item, please contact ACE Disposal at 435-882-7009 or contact the Tooele City Finance Department at 435-843-2150.

### Tooele City Bulky Waste Collection Schedule (Year-Round)

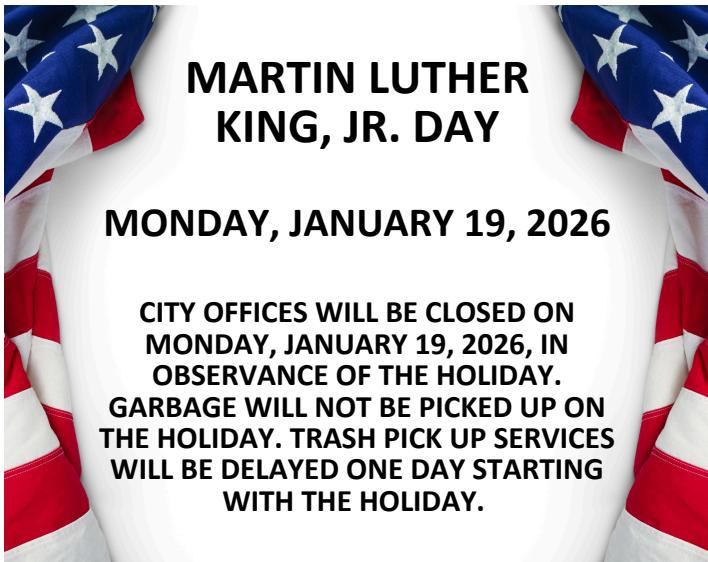

Normal Garbage Pickup Day	Bulky Waste Pickup Day
Monday	1st Thursday of each month
Tuesday	2nd Thursday of each month
Wednesday	3rd Thursday of each month
Thursday/Friday	4th Thursday of each month

**Tooele City Residents:** If your trash container is broken or in need of repair, contact Tooele City at (435) 843-2150. Garbage can replacement cost is \$65 per can.

### Please Help Us Serve You Better By Doing The Following:

- Put your cans out by 6:30 a.m. • Place cans 3 feet apart • Do not overload cans • Do not place cans directly against the curb (when the cans are being set down, if they hit the curb it damages the wheels). • Promptly pull in your cans after they have been dumped—this helps our snowplow drivers to remove snow more efficiently from your street. • On windy days, please take care to ensure there is no loose garbage that may blow away and litter the streets.

We appreciate your efforts to help us maintain a safe, clean, and beautiful city!

## Freezing Temperatures

Every year when the weather turns cold, the City sees a rash of reports of frozen pipes. The best thing that you can do to prevent this in your home is to keep the pipes open. Leaving a slow drip or trickle in a faucet overnight, when the temperature and water usage is lowest, can prevent the water in your pipes from sitting still and freezing. Yes, the slow drip or trickle may end up costing you a little extra on your water bill, but that amount will always be dramatically less than the cost to repair frozen pipes in your home and the water damage it can cause. Other helpful tips to residents to avoid frozen water pipes this winter:

1. Maintain heat at a minimum of 55 degrees.
2. Avoid cold drafts by the meter or exposed pipes by caulking holes in foundations and window frames.
3. If the water meter or piping is near the foundation in a cold area, wrap the meter and pipes and insulate.
4. When temperatures are severely cold, run the cold water faucet at a minimum rate (trickle) to maintain water movement through your piping to prevent freezing.

If you have a concern regarding your main line or meter being frozen, please contact the Tooele City Finance Department at 435-843-2150 or [utilities@tooelecity.gov](mailto:utilities@tooelecity.gov) to schedule a technician to inspect this issue. If you have any questions, please contact our Public Works Department at 435-843-2130. For after hours (non-life threatening) emergencies, please call dispatch at 435-882-5600.
