Mayor Maresa Manzione

MAYOR'S MESSAGE

MAYOR MARESA MANZIONE

As our nation continues commemorating America's 250th anniversary, I have spent time reflecting on what patriotism means.

Patriotism is often expressed through flags, parades, and celebrations, and these traditions are important. But I believe patriotism is more than a single day or event. It is a love for our country, a commitment to support and defend the principles upon which it was founded, and a hope for its continued success. Patriotism embodies both an emotional attachment to our nation and a sense of civic duty to help strengthen it.

I also believe patriotism begins close to home.

We demonstrate patriotism when we serve our communities, support local businesses, volunteer our time, and look for ways to make our neighborhoods better places to live. We show patriotism when we take pride in our city, care for public spaces, attend community events, work together to solve problems, and contribute to the success of those around us. Strong communities help build a strong nation.

Patriotism does not require us to agree on every issue. In fact, one of America's greatest strengths is the ability to engage in thoughtful discussion and debate. We can hold different opinions while still treating one another with respect and kindness. We can disagree without becoming divided. When we listen, seek understanding, and work together toward common goals, we strengthen both our community and our country.

As we celebrate America's 250th anniversary, I encourage each of us to consider how we can contribute to the success of our community. Acts of service, kindness, and civic engagement may seem small, but together they create the kind of community where people want to live, work, raise families, and invest in the future.

America's story is ultimately the story of its people. By supporting one another, investing in our communities, and working toward the common good, we honor the generations who came before us and help build a brighter future for those who will follow.

Mayor's Message Continued on Page 2

Mayor Manzione TooeleServes Day

Mayor's Message Continued

As we gather with family, friends, and neighbors to celebrate Independence Day and America 250, I encourage each of us to reflect on what patriotism means and how we can contribute to the success of our community, state, and nation. In doing so, we honor our shared history while helping write the next chapter of America's story. Thank you for the many ways you contribute to Tooele City.

Your efforts to support your neighbors, local businesses, schools, community organizations, and local government help make Tooele City a place we are proud to call home. As we celebrate this milestone in our nation's history, let us remember that patriotism is not only something we feel—it is something we practice every day, beginning right here at home.

~Mayor Maresa Manzione

City Council meetings are generally held the 1st and 3rd Wednesdays of every month at Tooele City Hall. Meetings are open to the public and are also streamed live on YouTube (Search "Tooele City Channel"). Meeting agendas, minutes, and video links for the meetings are available on our website tooelecity.gov.

THE COUNCIL'S CORNER

BY COUNCILMEMBER DAVE MCCALL

First, I want to thank you for allowing me to serve you, the citizens of Tooele City. I have had the privilege of working with many outstanding committees over the years, and I hope many of you share my commitment to preserving Tooele's history for generations to come.

The Historical, Railroad, and Ritz Committees would love to hear from you if you have historical information related to these important parts of our community. The Arts Council is working hard to restore the Ritz Theater, a treasured Tooele landmark, with many events planned throughout the summer. While much progress has been made, there is still work to do. For more information on upcoming events, please visit www.tooelecityartscouncil.org/Ritz.

The Historical and Railroad Committees are always looking for photographs, stories, documents, and other information that help tell the story of Tooele's early days and the important role the railroad played in our community's development.

Tooele City continues to move in the right direction and remains committed to keeping its citizens at the center of every decision. As our community grows and approaches 45,000 residents, I want to thank Tooele City's Volunteer Fire Department, Police Department, and all city employees for their dedication to keeping our community safe and running smoothly.

The City Council remains committed to finding ways to improve our city and keep it moving forward.

Thank you again for the opportunity to serve you.

Semper-Fi,
~Dave

Tooele City's BEE KIND Initiative!

Tooele City warmly invites you to join us in building a community filled with kindness!
Simple acts of kindness have the power to brighten someone's day, spreading joy and positivity throughout our community.

Here's how it works:

- Visit Tooele City's Parks and Recreation office at 255 South 100 East or the Tooele City Library at 128 West Vine Street.
- A friendly staff member will guide you through the pledge process. By accepting the pledge, you commit to spreading kindness wherever you go!
- You'll receive a BEE KIND pledge card along with a special prize!

Thank you for choosing to BEE KIND!

tooelecityartscouncil.org/ritz

THE RTIZ

The Ritz Theater isn't just a building—it's a piece of Tooele City's story. Lighting up Downtown Main Street since the 1930s, it's been the backdrop for decades of first dates, weekend movies, live performances, and unforgettable moments shared with family and friends.

Over the years, many caring hands have helped keep the Ritz shining. A commemorative plaque installed last year recognizes those who believed in its future—from early owners to dedicated caretakers and community champions who refused to let this local treasure fade.

A special thank you to the Bradshaw Family for more than 60 years of stewardship, and to the Aaron Peterson Family and Peterson Industrial Group for their generous donation of the building to the Tooele City Arts Council—an incredible gift that helps secure the Ritz for generations to come.

Here's the exciting part... the story is still being written.

Since last year, the Ritz has seen a wave of momentum! Generous donations, sponsors and grant funding have fueled ongoing renovations, while passionate volunteers have rolled up their sleeves to bring new life to the space. From behind-the-scenes improvements to guest-focused upgrades, the community is actively shaping the next chapter of the Ritz.

The result? A historic theater that's not only being preserved—but reimaged. Next time you're on Main Street, stop by the Ritz. Check out the plaque, take in the history, and see firsthand how this beloved landmark is being brought back to life—one project, one volunteer, and one memory at a time.

2026 TOOELE CITY FIREWORKS RESTRICTION MAP

To the Residents of Tooele City,

As we approach the summer holidays, we know many of our community members are looking forward to celebrating with fireworks. We also hear, understand, and share the anxieties raised by many of our neighbors regarding this year's dry conditions. Please know that these concerns are not being taken lightly. We recognize the heightened anxiety many residents feel given the hot, dry conditions we have experienced in Tooele City over the past several years.

Our highest priority will always be keeping Tooele City safe. Under Utah State Code 53-7-225, cities cannot impose a complete ban on the sale or discharge of fireworks during the periods authorized by state law. However, local restrictions are allowed in high-risk areas, and Tooele City has implemented measures to help protect our community during these exceptionally dry conditions.

The absolute best firefighting tool we have is prevention, and that starts with you. We believe our community can celebrate responsibly, but it requires every resident to treat fireworks with the seriousness these conditions demand. By following all restrictions, using fireworks only in permitted areas, and exercising caution at all times, you can help prevent fires and keep our neighborhoods safe.

Knowing the Rules: Where and When

Each year, Tooele City works closely with state and county officials to establish and communicate fireworks restriction boundaries. We follow all applicable regulations regarding where, when, and what may be discharged:

- Stick to the Zones: Fireworks are strictly permitted only within designated, approved city boundaries. They are completely prohibited in restricted danger zones.
- Observe State Deadlines: Fireworks may only be discharged between July 2–5 and July 22–25.
- Respect the Hours: Permitted hours are from 11:00 AM to 11:00 PM, with hours extended until 12:00 AM (midnight) on July 4th.

A map showing the current restriction boundaries and permitted dates is available online at tooelecit.gov/fireworks.

The "Do Not Ignite" Checklist

Before you light anything, look around. Do not use fireworks if any of the following conditions apply:

- The weather changes: High winds can carry sparks into dry brush hundreds of feet away. If it is windy, put the fireworks away immediately.
- You are near vegetation: Keep fireworks completely clear of dry grass, brush, overhanging trees, and structures.
- You lack an immediate water source: If you do not have a charged garden hose or a large bucket of water right next to you, do not start.
- The fireworks are illegal or modified: If you have purchased or possess fireworks that you aren't entirely sure are legal, do not use them.

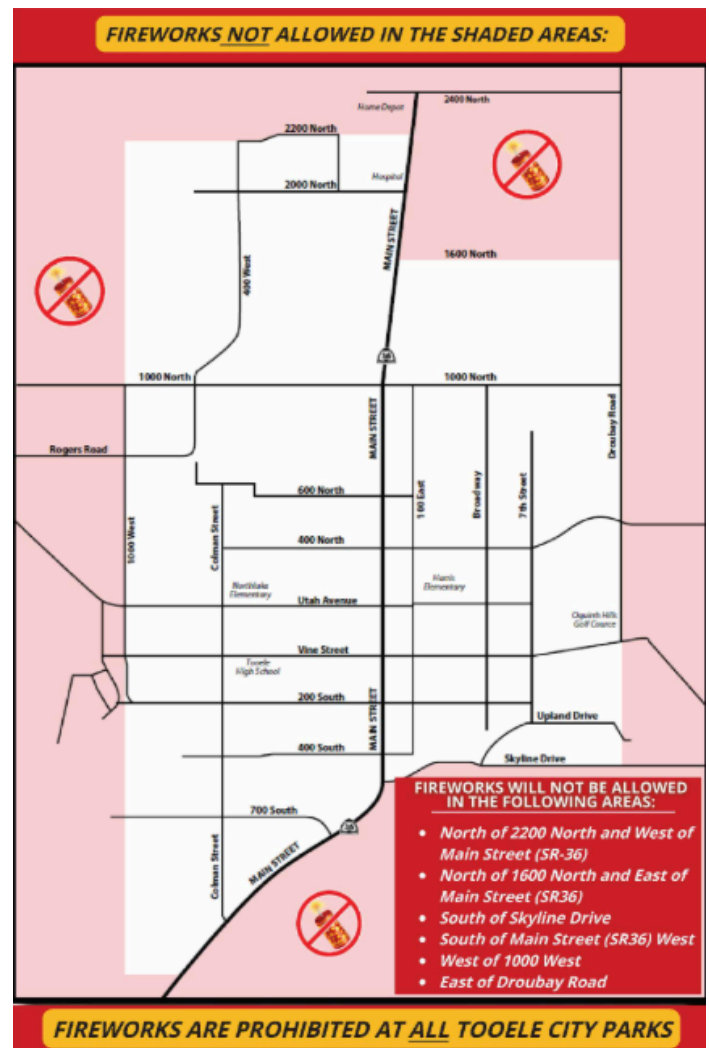

Firm and Active Enforcement

We genuinely want everyone to enjoy the holidays, but our Police Department, local law enforcement, and fire inspectors will be actively patrolling our neighborhoods. Because of the extreme fire risk, the City will maintain a zero-tolerance policy for anyone discharging fireworks outside of approved zones, past legal hours, or using illegal fireworks. Violators may face immediate citations and heavy fines. Furthermore, any illegal or improperly used fireworks will be seized and/or destroyed.

We understand why some residents have called for a total ban this year. The risk to our homes and hillsides is incredibly real. However, we believe that if we all act as vigilant, responsible neighbors, we can preserve our community traditions while keeping Tooele City safe.

Let's look out for each other. Designate a "safety officer" for your family block, douse your debris thoroughly in water overnight, and let's work together. Like you, we hope this celebration of Independence Day and our nation's 250th anniversary is one that is both memorable and safe for everyone.

Sincerely,
Tooele City Administration & Tooele City Fire Department

ATTENTION ALL TOOEELE CITY BUSINESSES

BUSINESS LICENSES REQUIRED IN TOOEELE CITY

Anyone offering a “Service” from their home, for compensation, requires a Tooele City Business License. Please call the Tooele City Business License Specialist at (435) 843-2110 for more information or go to www.tooelecit.gov choose BUSINESS>BUSINESS LICENSES for businesses within Tooele City limits.

DOOR-TO-DOOR SOLICITORS

All solicitors in Tooele City must obtain a license and visibly wear a **2026 GREEN ID BADGE**. If someone is not wearing a badge, call Dispatch at 435-882-5600. Provide a full description and direction of travel.

A FRIENDLY REMINDER ABOUT WEEDS:

It's been dry, and that means weeds can quickly become more than just an eyesore — they can pose real fire and safety risks. Tooele City asks everyone to help keep our community safe and looking great by trimming and maintaining weeds and tall grass.

Under Tooele City Code 8-4-4, it's unlawful to allow weeds or grass to grow in ways that create hazards or obstructions, including:

- In public rights-of-way where tall weeds block visibility for drivers or pedestrians.
- On lots under one acre where weeds can become a fire hazard or attract vermin.
- Within 30 feet of property lines on larger parcels (one acre or more), where weeds must be kept under 6 inches.
- In commercial and industrial areas, where weeds taller than 6 inches are not allowed.

Keeping weeds trimmed helps prevent fires, improves visibility, and keeps Tooele looking its best.

Let's all do our part to stay safe and keep our City shining this summer.
