RESOLUTION 2025-79

A RESOLUTION OF THE TOOELE CITY COUNCIL APPROVING BUDGET AMENDMENTS FOR FISCAL YEAR 2025-2026.

WHEREAS, the City Council finds it necessary and prudent to re-open the 2025-2026 fiscal year budget to make amendments, pursuant to U.C.A. §§10-6-124-128, in order to more efficiently utilize funds to be received, said amendments being shown in the attached Exhibit A; and,

WHEREAS, the City Council convened a duly-noticed public hearing on September 17, 2025, pursuant to the requirements of U.C.A. §§10-6-113, -114:

NOW, THEREFORE, BE IT RESOLVED BY THE TOOELE CITY COUNCIL that the budget amendments for fiscal year 2025-2026 as shown on Exhibit A, which is attached hereto and made a part hereof, are hereby approved.

This Resolution shall be effective immediately upon passage, without further publication, by authority of the Tooele City Charter.

Passed this 17th day of September, 2025.

RESOLUTION 2025-78

A RESOLUTION OF THE TOOELE CITY COUNCIL APPROVING A LEASE PURCHASE AGREEMENT WITH SIDDONS MARTIN EMERGENCY GROUP, LLC, FOR THE LEASE AND PURCHASE OF A PIERCE VELOCITY AERIAL PLATFORM FIRE TRUCK.

WHEREAS, the City Administration and City Council desire to maintain an up-to-date and well-functioning set of fire safety equipment over the long term in the interest of public safety; and,

WHEREAS, Siddon Martin Emergency Group, LLC (“Siddon Martin”) has presented a proposal letter (“Exhibit A”) for a Lease Purchase Agreement, whereby Tooele City may purchase a Pierce Velocity Aerial Platform Fire Truck gradually over time (see also credit application attached as Exhibit B); and,

WHEREAS, Siddon Martin’s price terms include a total value price of \$2,272,293.54 which would include a down payment of \$500,000.00, and a total financed amount of \$1,772,293.54 to be paid over seven years with an interest rate of 4.28% and an annual payment of \$300,65.76:

NOW, THEREFORE, BE IT RESOLVED BY THE TOOELE CITY COUNCIL that:

1. the proposal letter attached as Exhibit A is hereby approved and the Mayor is authorized to execute a Lease Purchase Agreement with Siddon Martin for the total value price of \$2,272,293.54, under the terms described in Exhibit A.
2. the Mayor is authorized to execute the credit application attached as Exhibit B.

This Resolution is in the best interest of the general welfare of Tooele City and shall become effective upon passage, without further publication, by authority of the Tooele City Charter.

IN WITNESS WHEREOF, this Resolution is passed by the Tooele City Council this ____ day of _____, 2025.

Additional: 'Due to global supply chain constraints, any delivery date contained herein is a good faith estimate as of the date of this order/contract, and merely an approximation based on current information. Delivery updates will be made available, and a final firm delivery date will be provided as soon as possible.

Persistent Inflationary Environment Notification: If the Producer Price Index of Components for Manufacturing [www.bls.gov Series ID: WPUID6112] (the "PPI") has increased at a compounded annual growth rate greater than 5.0% from the date of acceptance of this proposal letter (the "Order Month") and 14 months prior to the anticipated Ready for Pickup Date (the "Evaluation Month"), then the proposal price may be increased by an amount equal to any increase exceeding 5.0% for the time period between the Order Month and the Evaluation Month. Siddons Martin and Pierce will provide documentation of such increase and the updated price for the customer's approval before proceeding with completion of the order along with an option to cancel the order.'

Taxes: Tax is not included in this proposal. In the event that the purchasing organization is not exempt from sales tax or any other applicable taxes and/or the proposed apparatus does not qualify for exempt status, it is the duty of the purchasing organization to pay any and all taxes due. Balance of sale price is due upon acceptance of the apparatus at the factory.

Late Fee: A late fee of .033% of the sale price will be charged per day for overdue payments beginning ten (10) days after the payment is due for the first 30 days. The late fee increases to .044% per day until the payment is received. In the event a prepayment is received after the due date, the discount will be reduced by the same percentages above increasing the cost of the apparatus.

Cancellation: In the event this proposal is accepted and a purchase order is issued then cancelled or terminated by Customer before completion, Siddons-Martin Emergency Group may charge a cancellation fee. The following charge schedule based on costs incurred may be applied:

- (A) 10% of the Purchase Price after order is accepted and entered by Manufacturer;
- (B) 20% of the Purchase Price after completion of the approval drawings;
- (C) 30% of the Purchase Price upon any material requisition.

The cancellation fee will increase accordingly as costs are incurred as the order progresses through engineering and into manufacturing. Siddons-Martin Emergency Group endeavors to mitigate any such costs through the sale of such product to another purchaser; however, the customer shall remain liable for the difference between the purchase price and, if applicable, the sale price obtained by Siddons-Martin Emergency Group upon sale of the product to another purchaser, plus any costs incurred by Siddons-Martin to conduct such sale.

Acceptance: In an effort to ensure the above stated terms and conditions are understood and adhered to, Siddons-Martin Emergency Group, LLC requires an authorized individual from the purchasing organization sign and date this proposal and include it with any purchase order. Upon signing of this proposal, the terms and conditions stated herein will be considered binding and accepted by the Customer. The terms and acceptance of this proposal will be governed by the laws of the state of Utah. No additional terms or conditions will be binding upon Siddons-Martin Emergency Group, LLC unless agreed to in writing and signed by a duly authorized officer of Siddons-Martin Emergency Group, LLC.

Sincerely,

Joshua Evertsen

I, _____, the authorized representative of TOOELE CITY FIRE DEPARTMENT, agree to purchase the proposed and agree to the terms of this proposal and the specifications attached hereto.

Finance Program Options

Lease Purchase Plan

With a lease purchase plan, you can purchase the apparatus gradually over time. This allows you to use available capital for operations or other needs. At the end of the lease, you can purchase the apparatus for just \$1. Terms for this plan range from 2 to 15 years (10 years for apparatus with commercial chassis).

Choose a lease purchase if:

You prefer ownership of the apparatus and need to spread capital costs over time.

Turn-In Lease Plan

The turn-in lease plan contains a "balloon payment" for the estimated resale value of the apparatus at the end of the lease. A department has two options at lease term:

1. Purchase the apparatus by paying off or refinancing the "balloon payment."
2. Return the apparatus to Pierce and lease a new Pierce apparatus (Pierce pays off the balloon payment).

Terms for this plan range from 2 to 10 years of use. This lease contains mileage and apparatus condition provisions, with 10,000 and 15,000 annual mileage options available.

Choose a turn-in lease if:

You want to pay for the use of the apparatus over the lease term and need a flexible, cost-effective fleet management program.

Lease Start Options

🔥 Tooele City Fire can start the financing at any time from the date of order to the date of delivery

🔥 Tooele City Fire will receive all remaining Pierce prepay discounts from the financing start date to the date of delivery.

Making Lease Payments Prior To Delivery

Lease payments made prior to delivery have two layers of protection:

1. Pierce Performance Bond

Ensures that the customer will receive the apparatus in accordance with the terms of the contract agreement. Guarantees one year warranty will be performed.

2. PNC “Four Party Agreement” in lease contract

If Pierce fails to deliver Equipment, then Pierce shall pay to Lessee the Lessee’s payments and the amount owed to PNC (the lease is refunded).

3. Public Comment Period

At 7:01 p.m., Chairman Brady opened the floor for public comment.

Councilman Dave McCall presented a donation to the Tooele Animal Shelter on behalf of a group of children from the Overlake neighborhood – Oaklee, Emmett, Cash, Cooper, Brennah, and Taylor. He explained that the children raised a total of \$436, choosing to donate half to Meals on Wheels and the remaining \$218 to the animal shelter. He praised the children for their generosity and noted that they participate in this charitable effort annually.

Chairman Brady asked if there were any other public comments. Seeing none, he closed the public comment period at 7:03 p.m.

4. **Resolution 2025-75 A Resolution of the Tooele City Council Approving Change Order No. 1 to the 2025 Roadway Maintenance Project, Schedule B, with Staker Parson Materials & Construction**

Presented by Jamie Grandpre, Public Works Director

Mr. Grandpre presented the item and explained that two sections of roadway had initially been excluded from the chip seal mapping due to a plan to apply a mineral bond (HA5) treatment. However, it was later determined that chip sealing was required beforehand, prompting the need to revisit the project scope.

Mr. Grandpre specified the locations: one segment on 2400 North from approximately 540 East to the end of the street had already been completed using contingency funds, and the second segment – 2000 North from Aaron Drive to 400 West – was now proposed for chip seal. He noted that the eastern portions of both streets were being left out due to upcoming development and utility work that would require cutting into the roadway. He added that planned traffic signal modifications at 2400 North also factored into the decision to delay work on that section.

He reported that Staker Parson, the contractor currently performing the City's chip seal work, had submitted a cost proposal of \$144,778.45, with an additional \$7,250 contingency. Mr. Grandpre noted that Staker Parson could return later in September to complete the work if the weather remained favorable. He emphasized that timely treatment would help preserve the pavement condition on 2000 North, especially given anticipated increases in traffic related to the new high school.

In response to a question from Councilwoman Manzione, Mr. Grandpre confirmed that the mineral bond application would be included in the City's 2026 roadway maintenance schedule. He explained that applying chip seal now would allow the road to be protected through the winter and would provide a suitable surface for HA5 treatment in the spring, potentially extending the pavement's lifespan by seven to ten years and avoiding costly asphalt replacement.

There were no additional questions or comments from the Council.

Motion: Councilwoman Manzione moved to approve Resolution 2025-75, a Resolution of the Tooele City Council approving change order No. 1 to the 2025 Roadway maintenance project, Schedule B, with Staker Parson Materials & Construction. Councilman McCall seconded the motion. The vote was as follows: Councilman McCall, "Aye"; Councilman Hansen, "Aye"; Councilwoman Gochis, "Aye"; Councilwoman Manzione, "Aye"; Chairman Brady, "Aye". The motion carried 5-0.

5. **Resolution 2025-76 A Resolution of the Tooele City Council Authorizing the Tooele City Purchasing Agent to Dispose of Surplus Personal Property**

Presented by Shilo Baker, City Recorder

Ms. Baker explained that the Fire Department wished to surplus six used Sumitomo tires that had been removed from the 2020 brush truck during a recent rebuild. The truck had been fitted with larger off-road tires, rendering the original set unnecessary. She stated that the City would first offer the tires to other entities within the county and, if there were no interest, would proceed with a public sale. The starting price would be \$150 per tire, or \$900 for the full set, with flexibility for best offers. Ms. Baker noted that although the tires were used, they remained in good condition, and selling them would help avoid disposal costs. There were no questions or comments from the Council.

Motion: Councilman Hansen moved to approve Resolution 2025-76, a Resolution of the Tooele City Council authorizing the Tooele City Purchasing Agent to dispose of surplus personal property. Councilwoman Gochis seconded the motion. The vote was as follows: Councilman McCall, “Aye”; Councilman Hansen, “Aye”; Councilwoman Gochis, “Aye”; Councilwoman Manzione, “Aye”; Chairman Brady, “Aye”. The motion carried 5-0.

6. Resolution 2025-77 A Resolution of the Tooele City Council Approving an Agreement with Aarrow Landscape Construction, LLC, for the Tooele Library Xeriscaping Project

Presented by Chase Randall, Library Director

Mr. Randall presented the proposed agreement for xeriscaping a portion of the Tooele City Library property. He explained that the project would focus on the grass area along the north side of the property, adjacent to a neighboring condominium complex. The existing sod would be removed and replaced with decorative rock that matches the material already installed on the north side of the library building. This improvement was expected to reduce both maintenance and water costs. In addition, a drip line would be installed in preparation for the future planting of three trees, likely in coordination with the Parks and Recreation Department next year.

Chairman Brady inquired whether the east and south sides of the building would remain sod, and Mr. Randall confirmed that they would for now. He added that he hoped to retain a grassy area for outdoor programming and was working with the current administration – and would continue conversations with the next mayor – regarding long-term plans for those areas.

In response to a question from Councilman McCall about the possibility of converting the north side into additional parking, Mr. Randall noted that although diagonal parking might be feasible, the presence of a drain and required infrastructure upgrades would make the cost prohibitive – estimated between \$100,000 and \$200,000. He also explained that library parking is sufficient the vast majority of the time, with peak demand limited to Wednesday storytime hours, and thus the expense could not be justified.

Motion: Councilwoman Gochis moved to approve Resolution 2025-77, a Resolution of the Tooele City Council approving an agreement with Aarrow Landscape Construction, LLC, for the Tooele Library xeriscaping project. Councilwoman Manzione seconded the motion. The vote was as follows: Councilman McCall, “Aye”; Councilman Hansen, “Aye”; Councilwoman Gochis, “Aye”; Councilwoman Manzione, “Aye”; Chairman Brady, “Aye”. The motion carried 5-0.

7. Invoices & Purchase Orders
