## ITEMIZED CONTRIBUTION REPORT (Form "A")

[illegible]

(If additional space is needed, use blank paper and list information like the above format and then attach to report.)

## ITEMIZED EXPENDITURE REPORT (Form "B")

Date of Expenditure	Person or Organization . To Whom Expenditure was made	Amount of Expenditure	Expenditure Purpose (optional)
all	can be said to be "miscellaneous" mostly coffee, paper (mainly at UPS store), food, ride shares		
	I did my best to count expenditures for the campaign, while dollar-by-dollar reporting may not be infeasible, see bank		

(If additional space is needed, use blank paper and list information like the above format and then attach to report.)

Since no individual  
Expense amounted to \$500 or more  
I think I'm on safe ground  
Saying the money was spent "incidentally"

Since I have not gotten to (what  
may be) The more compelling and  
perhaps lucrative (binary) content; the  
fewer we spent months to copy my Campaign  
Promo Page, seek meetings with prospective  
"oters, and get to locations, with a  
total budget of \$742.51, it should not  
provoke questions or explanation but I will  
do my best if necessary.
