

Dedicatory Prayer for Tooele City Fire Station #3

Heavenly Father,

With hearts full of gratitude, we dedicate this fire station—Tooele City Station #3—and the ground on which it stands as a place of service, safety, protection, and peace for the citizens and firefighters of Tooele City.

We thank You for the hands that built it, the leaders who envisioned it, and the generations of firefighters who will now call it home.

Bless those who step through these doors—whether in times of urgency or moments of community—that they may find strength and support. Let this be a place where friendships flourish, skills are sharpened, and service and sacrifice are honored as a way of life.

Lord, we pray for our firefighters. Grant them wisdom as they rush to danger, strength when they grow weary, and peace as You return them safely to their families each night.

Father, bless our families with strength, patience, and peace. May they find reassurance in the noble work their firefighters do. Surround them with a community that uplifts and honors them, granting them comfort in times of worry and joy in times of reunion.

Father, we humbly dedicate this station to You and to the Tooele City community it will serve. May it always stand as a beacon of honor, service, and protection—now and for all generations of Tooele City firefighters.

In Your holy name, we pray. Amen.
