

TOOELE CITY CORPORATION

RESOLUTION 2026-50

A RESOLUTION OF THE TOOELE CITY COUNCIL RATIFYING AND APPROVING AN AGREEMENT WITH RAIN FOR RENT, INC., FOR A GOLF COURSE PUMP SYSTEM AT OVERLAKE GOLF CLUB.

WHEREAS, on August 6, 2014, City Council approved Resolution 2014-37 approving a settlement agreement with Tooele Associates L.P. and other parties ("2014 Settlement Agreement"); and,

WHEREAS, pursuant to paragraph 11 of the 2014 Settlement Agreement (Exhibit A), the "City will supply treated wastewater to the Links at Overlake golf course" (now known as "Overlake Golf Club"); and,

WHEREAS, City Administration found that, due to adverse weather events and other factors, in order to supply the required secondary water needed in a practical manner, a pump system was needed to move the water from pond to pond; and,

WHEREAS, Tooele City accepted a proposal from Rain for Rent, Inc., for the installation of the golf course pump system at a total cost of \$50,521.62 (Exhibit B); and,

WHEREAS, the Mayor's signing of the contract was necessary to mitigate operational and environmental risks to the golf course; and,

WHEREAS, the agreement complies with procurement procedures because the emergency action was necessary to protect the property as well as the interest of the City from the impact of adverse weather events and other factors, pursuant to Section 63G-6a-803 of the Utah Procurement Code and Section III(A)(5) of Tooele City Corporation's Purchasing Policy and Procedures:

NOW, THEREFORE, BE IT RESOLVED BY THE TOOELE CITY COUNCIL that the agreement with Rain for Rent, Inc., for installation of the golf course pump system at a total cost of \$50,521.62, attached hereto as Exhibit B, is hereby approved and the Mayor's signature thereon is hereby ratified.

This Resolution shall take effect immediately upon passage, by authority of the Tooele City Charter, without further publication.

IN WITNESS WHEREOF, this Resolution is passed by the Tooele City Council this 15th day of July, 2026.

Exhibit A

Paragraph 11 of the
2014 Settlement Agreement

Plan amendment to be adopted as described in this paragraph and, in addition, the right to use up to twenty percent (20%) of the Overlake Properties for commercial and light-industrial uses, with the light-industrial uses to be located near the westernmost side of the Overlake Properties. The development rights and densities confirmed by this Agreement are specifically intended to be and are hereby confirmed to be “vested rights” of the Developer Parties as that term is construed in Utah’s common law and statutes, including Utah Code Ann. §10-9s-509. The Developer Parties shall work with the City and, no later than December 31, 2014, shall submit a plan for Overlake designating those areas it intends for residential, commercial and light-industrial uses consistent with the rights vested in this Agreement. That plan is not an exhibit to this Agreement but shall be adopted by the City as an amendment to the Tooele City General Plan – Land Use Element for Overlake within 90 days of its submission or resubmission (in the event of revisions), and shall thereafter be the basis for approval of land use applications submitted to the City, so long as those applications are consistent with the Tooele City General Plan – Land Use Element, the land use statutes of the State of Utah, the land use ordinances of the City (except as modified by this Agreement), and the provisions of this Agreement. Once the land use plan amendment has been adopted, the Parties agree to record a document in substantially the form shown in Exhibit “H,” giving notice of this Agreement and that the previously approved development agreement, including amendments, is no longer in effect.

10. **Impact Fees and Development Standards.** All future development at Overlake shall be subject to then-applicable impact and other development fees on the same basis as other development occurring within the City, except that water rights dedication credits under the Water Certificates may be tendered in satisfaction of the water rights dedication requirements set forth in the City’s water rights dedication ordinance (T.C.C. 7-26-1, *et seq.*) Other than the permitted uses, densities, and inspection procedures provided for in this Agreement, and the provisions of the Overlake Land Use Plan, the design, approval and installation of the public and private improvements in Overlake shall be subject to and conducted in a manner consistent with the City’s then-current land use regulations and fees.
11. **Secondary Water.** The City will supply treated wastewater to the Links at Overlake golf course, as and when needed, at the rate of \$20.00 per acre-foot until October 15, 2024 (at an estimated usage of 500 acre-feet per year, a charge of \$10,000.00 per year). After October 15, 2024, the \$20.00 per acre-foot rate will increase each year by 3% for an additional ten (10) years until October 15, 2034, unless another rate is agreed to by the parties. After October 15, 2034, and for as long as the golf course is operating, the City will provide secondary water and charge, and the then-current operator of the golf course shall pay, a revised rate based on the actual cost of providing such secondary water or some other rate as agreed to by the City and the operator.
 - 11.1.1 The Developer Parties shall reduce the first installment of the payment of the Claim specified in Section 3.2 by \$42,310.00, representing the \$20.00 per acre-foot value of all water utilized from July 1, 2009, through the date of this Settlement Agreement.

Tooele, UT, 84074

Project Description and Overview

PROJECT OVERVIEW

Customer is requesting (2) pump systems to move pond-water from pond to pond. One system will consist of (1) HH125c pump and 4400' of fused 6" HDPE pipe. The other system will consist of (1) DV100 pump, 150' of 4" hose. Both systems will draw from one pond and discharge directly into another pond.

We are also providing road crossing for vehicles traveling along the dirt roads, and ramplock systems for the cart path where the pipe will need to cross the golf course cart paths.

STATEMENT OF WORK

RFR Responsibilities & Scope of Work

Customer is requesting (2) pump systems to move pond-water from pond to pond. One system will consist of (1) HH125c pump and 4400' of fused 6" HDPE pipe. The other system will consist of (1) DV100 pump, 150' of 4" hose. Both systems will draw from one pond and discharge directly into another pond.

We are also providing road crossing for vehicles traveling along the dirt roads, and ramplock systems for the cart path where the pipe will need to cross the golf course cart paths.

Customer Responsibilities:

- Obtain and adhere to a discharge permit
- Maintaining and operating system
- Customer will operate system
- Signing transfer of operations form prior to pump start up

Rain for Rent (RFR) will provide the following:

- Delivery, installation, removal, pickup of all quoted materials/equipment
- Customer will operate system

Due to the multitude of economic factors, materials, labor, hauling and freight are currently in a period of above average volatility. If, during the performance of work, the price of materials, labor, hauling or freight increases by 5% or greater through no fault of Rain for Rent, the contract price shall be equitably adjusted by an amount reasonably necessary to cover any such price increases. Equipment subject to availability at time of project.

Reference Materials

Project is quoted based on applicable/customer provided reference materials noted below:

Customer Responsibilities

It is the customer's responsibility to inform RFR about prevailing wage at time of proposal. If RFR is informed after the quote is issued that certified payroll is required, quote will be subject to additional charges.

Jobsite:

Customer is responsible for:

1. Informing RFR of any jobsite or general requirement(s) to perform work on location.
2. Securing permits, fees, bonding, right of ways, vehicular/pedestrian traffic control, and security.
3. Providing safe, secure access and egress to an adequate staging area throughout the job which could include brush clearing, grading, and removal or replacement of any landscape or hardscape in the temporary right of way for the equipment.
4. Any damage to the environment including trees, vegetation, stream banks, or any other part of the site caused by the installation, removal, construction, pulling or dragging of equipment, or operation of the equipment that would require site restoration or environmental countermeasures.
5. Any excavation, saw cutting, trench plating for the purpose of road crossings, backfilling, restoration, modification, or alteration of any permanent structure or site element including changes to pump pad preparation, suction, or discharge chambers during duration of job (including installation and removal).

System:

1. Customer will provide dedicated equipment with operator and fuel to perform all needed unloading, testing, operations, maintenance, relocating, cleaning, and reloading of provided equipment/system. Equipment must be capable of lifting 5000 Lbs.
2. If installation provided by RFR and Customer is operating system, this Transfer of Operation form will need to be reviewed and signed by both parties upon completion of setup. (sample form only): <https://rainforrentcorp.box.com/v/systemtransferoperation>
3. Customer will provide fueling.
4. Customer will provide preventative maintenance as recommended by manufacturer or per the Rental Agreement. <https://rainforrentcorp.box.com/v/pumpmaintenance>
5. Customer will supply all needed water for the commissioning, startup, and system testing. Project-specific criteria for hydrotesting can be provided at an additional charge.
6. By accepting this quotation, the customer has acknowledged that the equipment proposed herein is suitable for its intended application and accepts all liabilities associated with its use. Customer is responsible for compliance with appropriate liquid/material quality standards, regulations, and testing protocols to meet all federal, state, local and job location specific requirements. Customer is responsible for all waste materials associated with this equipment/system.

Customer is responsible for:

1. Any work in confined spaces.
2. Protecting system from damage including any freeze protection necessary to safeguard equipment from damage. Should equipment become frozen and damaged, customer is responsible for repair of equipment. RFR can provide necessary freeze protection at an additional charge per executed change order. Equipment stays on rent until it can be returned.
3. Using equipment in a safe and proper manner in accordance with manufacturers' recommendations, regulatory standards, and industry best practices. Improper usage may cause equipment/system failure, damage, possible incidents, injuries, and spills.

Upon Pickup:

Contact the RFR office at 801-425-3215 to schedule pickup when equipment/system is cleaned and ready to be released.

Flushing and cleaning of equipment must be performed to RFR's standards prior to being called off rent. RFR personnel will perform a visual inspection. It is recommended to have a customer representative on-site during inspection. Equipment found not to be in "delivered condition" will not be picked up.

Project Scheduling & Billing

This quote is valid for 30 days. For the quoted items, RFR requires a signed quote not less than 5 days prior to delivery.

Estimated schedule durations:

Mobilization: 1 day
Installation: 5 days
Removal: 3 days
Demobilization: 1 day

Customer acknowledges that availability of equipment/system and/or media will be confirmed at time of order. Additional freight charges may apply subject to mutually agreed upon change order.

Billing

Rental Protection Plan

I have received and reviewed the Rental Protection Plan Agreement incorporated as the last page of this estimate. By initialing this paragraph, I understand that I am agreeing to enter into and be bound by the terms of the Rental Protection Plan Program Agreement and that I am authorized to enter into this Agreement on behalf of Customer. FOR ALL RENTALS OF EQUIPMENT, EXCEPT THOSE SPECIFICALLY EXCLUDED, YOU MAY EITHER SHOW PROOF OF PROPERTY INSURANCE IN ACCORDANCE WITH INSURANCE REQUIREMENTS AND RENTAL AGREEMENT OR PURCHASE THE RENTAL PROTECTION. THE PURCHASE OF THE RENTAL PROTECTION PLAN FOR RENTALS OF EQUIPMENT IS NOT MANDATORY AND MAY BE DECLINED IF YOU HAVE PROOF OF ALL RISK PROPERTY INSURANCE AS REQUIRED BY CONTRACT.

Quote Agreement

If Customer has entered into a Master Service Agreement with Rain for Rent and there is a conflict between these terms and conditions of this Quotation Agreement and the Customer's Master Service Agreement, then the terms and conditions in the Customer's Master Service Agreement signed by Rain for Rent will prevail. Availability of products and services is subject to change without notice. Payment terms are net 30 days from invoice date. Interest at the rate of 18% per year shall be charged on any past due invoice. Rain for Rent applies a processing fee on credit card transactions. The processing fee amount does not exceed our cost of accepting credit cards as required by the card brands. To avoid this fee, choose an alternative payment method (e.g. ACH). A Fuel Surcharge will be calculated and invoiced based on the diesel fuel price as published by the Department of Energy on <https://www.eia.gov/petroleum/gasdiesel>. An Environmental Recovery Fee shall apply to all rental charges invoiced for the duration of the rental pursuant to this quote/estimate to help offset direct and indirect costs associated with regulatory compliance, obtaining permits, and obtaining licenses. California Air Quality Fee will be added to the cost of diesel pumps used in California only. This is a State mandated fee. Customer is prohibited from deducting retention from Rain for Rent invoices and charging Rain for Rent liquidated damages. Customer is responsible for flushing and cleaning tanks, roll off boxes, pipelines, pumps, filters and other Rain for Rent equipment prior to return unless specifically agreed to by both parties in writing. The Terms and Conditions of the Rain for Rent Rental and Hazardous Material and/or Non-Hazardous Waste Agreement, Credit Application/Master Rental & Sales Agreement, Invoice and this Quotation (also known as the Rain for Rent Rental/Sale Estimate as may be referenced in any Master Service Agreement, Blanket Purchase Order, or any other contractual document executed between the parties) contain the complete and final agreement between Rain for Rent and Customer and no other agreement in any way modifying or adding to any of said Terms and Conditions will be binding upon Rain for Rent unless made in writing and signed by a Rain for Rent Corporate Officer or Rain for Rent authorized representative. The Customer cannot alter the equipment without Rain for Rent's prior written approval. Customer is responsible for equipment, repairs, maintenance and damage, excluding normal wear and tear or damage caused by Rain for Rent. Rain for Rent will service all engine driven equipment at 400 hours of runtime or as required by manufacturer specifications, if less than 400 hours. Labor will be billed on a time and materials basis, portal to portal from nearest Rain for Rent location. Prorated billing will occur if rental is returned prior to 400 hours. All returned equipment is subject to inspection by Rain for Rent personnel. Damages and accrued rent will be invoiced to Customer while equipment is out of service for repairs. The Customer is responsible for damage caused by reactive, corrosive or abrasive material; including, but not limited to sand, sodium hydroxide, chlorine, and acids. Customer must notify Rain for Rent immediately of any spill so that any necessary repairs to the system can be made and to minimize service interruption. The Customer assumes all risks of loss due to operation and use of the equipment. Customer will provide "all risk" property insurance for rented equipment. Customer shall pay Rain for Rent additional expenses caused by unforeseen or changing conditions, including, but not limited to, soil, underground conditions, rock formations, environmental conditions, weather events, regulations or restrictions, hard pan, boulders, cesspools, gas lines, waterlines, drain pipes, underground electrical conduits or other above ground or underground obstructions. All equipment rented or used products sold are provided "AS IS, WHERE IS" in their present condition. Rain for Rent makes no warranties, expressed or implied of any kind whatsoever with respect to the equipment or products. Sold equipment is not to be rented. Customer agrees that customer is renting equipment or purchasing used products based on their judgment and evaluation, without reliance upon any statements of representations by Rain for Rent, and that Rain for Rent is not responsible for any defects in their operation or for any repairs, parts or services, unless otherwise noted. All new products sold are provided without warranty beyond the terms of such warranty offered by the manufacturer, if any. Customer must comply with all original manufacturer's terms and conditions for any warranty claims that may arise. Neither Rain for Rent nor the manufacturer warranties the product if it has failed due to corrosion, misuse or damage; (2) it has been altered, repaired or modified in any way that would adversely affect its operation; or (3) it was installed or operated other than in accordance with manufacturer's operating instructions. Products supplied by Rain for Rent are warranted to be free from any defect in workmanship and material under conditions of normal use and service. Rain for Rent's obligation under this warranty is limited to replacing or repairing at the designated manufacturer's or Rain for Rent facility any part or parts returned to it with transportation charges prepaid, which Rain for Rent determines in its sole discretion to be defective. This Quotation excludes any additional costs to Rain for Rent associated with Owner Controlled Insurance (OCIP) or WRAP Insurance programs that will be added to Rain for Rent's prices. De-watering, Roll-off, Vacuum boxes and similar equipment are not liquid tight. Rentee accepts full responsibility for all losses, damages and costs caused by or arising out of spills, leakage or discharge from this equipment. Rain for Rent will not be held liable for any structural or soils subsidence. This Quotation is valid for 30 days and is subject to credit approval. The prices quoted herein are based on the tariffs, duties, and import/export regulations in effect as of the date of this quotation. If, at any time after the issuance of this Quotation, there is any change in applicable tariffs, duties, taxes, surcharges, or other government-imposed costs, Rain for Rent reserves the right to adjust the quoted prices accordingly. Rain for Rent is not liable for delays caused by changes in tariffs, duties, and import/export regulations. Please be assured every effort will be made to execute the quote as written.

Rental Protection Plan Program Agreement

If you elect to maintain All Risk Property Insurance coverage, and the certificate of Insurance You provide to Rain for Rent to evidence Your Insurance coverage expires or is cancelled for any reason, You agree Rain for Rent may charge RPP for Your rentals until such time as You provide an acceptable and valid certificate of insurance to Rain for Rent. This Rental Protection Plan Program Agreement (this "RPP Agreement") is entered into between the undersigned Rentor and Rentee in relation to the Master Rental and Sales Agreement (MRSA) between Rentor and Rentee. If Rentee has checked or Initialed, as applicable, the Rental Protection Plan Program (the "RPP Program") box on the quote, then Rentee has opted-in to the RPP Program and this RPP Agreement shall supplement the MRSA whether or not executed by Rentee. Rentee understands and agrees that the RPP Program is not insurance and that the RPP Program provides only limited coverage, as described below. 1. Cost; Deductible; Maximum Coverage; Rentee shall pay a fee equal to 15 percent (15%) of the rental charge for each covered item, which fee shall be listed on each invoice during which period Rentee has opted to participate in the RPP Program. In the event of a Covered Occurrence, as defined below, Rentee shall further be responsible for the lesser of \$500 or 10 percent (10%) of the total loss, as a deductible. The maximum coverage available under the RPP Program is \$150,000 per Covered Occurrence, whether or not there is more than one piece of equipment involved in the occurrence. 2. Coverage; The RPP Program provides coverage only for losses involving Covered Equipment, as defined below, in the following instances: fire that was not caused by Rentee's gross negligence or willful misconduct; theft for which a police report was filed, and that occurred despite Rentee's reasonable precautions to protect and secure the covered equipment; and vandalism for which a police report was filed (individually, "Covered Occurrence," and collectively, "Covered Occurrence"). The RPP Program provides coverage only for the following types of equipment: pumps, electric submersible pumps, tanks, generators, light towers, filtration, boxes, heaters, spillguards, safety products, sprinklers, hoses, pipe, valves and fittings ("Covered Equipment"). Coverage does not extend to any equipment not owned by Rentor such as re-rented equipment. 3. Exclusions; The RPP program does not cover any equipment or event of loss that is not specifically described in Section 2. Without limiting the foregoing, the RPP Program does not provide coverage for the following: misuse of equipment; willful abuse of equipment; failure to maintain equipment; failure to secure items from theft (including but not limited to failing to store items in a fenced, locked area or failing to maintain personnel on site); damage or theft while in transit to or from a jobsite; corrosion from any source; any damage caused by named storm events; any instance that occurs while the account is not in good standing, such as a default as defined in the MRSA or upon written notice of non-payment; and any occurrence not reported to Rentor within 24 hours after the occurrence. The RPP program does not provide coverage for: electronic equipment (controls, instrumentation, and wiring), flow meters, water meters, wheel wash systems & accessories, Freezersentry items, or tires. 4. Claims; All claims must be submitted within 24 hours of the Covered Occurrence. Rentor's mechanic will inspect the equipment following any claim. The mechanic's findings as to the cause of the damage and cost of repair will be final. In the event of a theft or vandalism, Rentee must also provide supporting evidence that the site was secured at the time of loss.
